EDUCATION

Quantum University

B.Tech in Computer Science Engineering (Full Stack Development)

- Specialization: Full Stack Development (CSE-FSD)
- Core Team Member – Codex Club x Quantum University

Roorkee, Uttarakhand

Aug 2023 – Aug 2027

Dellmond International School

Intermediate (Class XII) – CBSE

Saharanpur, U.P.

Apr 2022 – Mar 2023

EXPERIENCE

TechnoHacks EduTech Official

Full Stack Developer Intern

Nasik, Maharashtra (Remote)

May 2025 – Jul 2025

- Built a full-stack **Online Quiz Application** using Vanilla JavaScript, Tailwind CSS, and Firebase/Firestore with real-time data sync.
- Developed a full-stack **Todo Application** using React, Tailwind CSS, and Firebase Firestore supporting CRUD operations with live updates.
- Designed clean, responsive UI components that improved overall user experience across desktop and mobile devices.

CodeTechIT

Full Stack Web Developer Intern

Hyderabad, Telangana

Jul 2024 – Aug 2024

- Developed and deployed full-stack web applications during a 2-month internship, collaborating with a team on multiple client projects.
- Implemented responsive UI/UX designs and integrated backend REST APIs into frontend interfaces.
- Ensured cross-browser compatibility and mobile-first design across delivered projects.

VidyaLok (EdTech Startup)

Founder & CEO

Roorkee, Uttarakhand

Nov 2022 – Present

- Founded and built an innovative educational technology platform from the ground up using React, Node.js, and MongoDB.
- Designed the entire frontend architecture with responsive UI, user authentication, and content management features.
- Led a cross-functional team managing end-to-end product development across frontend, backend, and database layers.

Green Decore

Co-Founder & CMO

Uttarakhand, India

May 2023 – May 2024

- Co-founded a sustainable home decor startup; built and maintained the company website and e-commerce platform.
- Led all digital marketing strategies and managed online brand presence across platforms.
